

## Join the PartnerUp Houston Mentor Collective to Connect With Industry Professionals

---

Are you a Houston area college student?

**Sign up for an industry professional mentor to guide you in your next career steps!**

PartnerUp Houston is a new initiative empowering students to connect with industry mentors. When you sign up, you will be **matched with a mentor** who will get to know you and your aspirations, guide you through making career decisions, and help you to **prepare for a successful career**.

Learn how to approach challenges and gain career advice, build a **network** of industry professionals, and open doors for **career exploration** and advancement!

**Sign up here  
to connect with a mentor:**

### How does it work?

1. Sign up using the link above
2. Complete a survey about yourself
3. Get matched with a relevant mentor
4. Connect with your mentor regularly throughout the program
5. Talk about what's important to you and your mentor

### Program Expectations

- Take part in a three-month-long commitment
- Engage with your match and connect with other industry professionals
- Conduct twice monthly in-person or virtual meetings with your match
