

Profile of Dual Credit Students Fall 2025 and Fall 2026

This report contains demographic and academic information for dual credit students who entered the University in Fall 2025 and Fall 2026. Information is included on:

Sex	State of Permanent Address
Age	County of Permanent Residence
Minority Status	Religious Affiliation
Citizenship Status	Full/Part-Time Status
Racial/Ethnic Group	Average Credit Hour Load
Country of Citizenship	Program of Study

Fall 2026

The unduplicated¹ dual credit population for 2026–2027 includes 374 students, an increase of 16 students, or 4.5%, from 2025–2026. Demographically, sixty percent (225) of the dual credit students are female, while forty percent (149) are male. Students age 16 comprise the largest age group at 37.4%, followed by students age 17 at 24.4% and age 15 at 22.7%. Students age 14 or younger account for 11.8% of the population.

All 374 dual credit students have Texas as their state of permanent address. Harris County accounts for the largest share of students at 45.8% (171), followed by Fort Bend County at 27.3% (102), Denton County at 10.6% (40), and Williamson County at 6.1% (23). Together, Harris and Fort Bend counties represent 73.1% of the dual credit population.

Academically, 367 students (98.1%) are enrolled part-time, while seven students (1.9%) are enrolled full-time. The average credit hour load is 4.3 hours, an increase from 4.0 hours in 2025–2026. All students are enrolled as non-degree-seeking undergraduates and are identified as Academy Students.

Fall 2025

The unduplicated¹ dual credit population for 2025–2026 includes 358 students. Demographically, fifty-eight percent (208) of the dual credit students are female, while forty-two percent (150) are male. Students age 16 comprise the largest age group at 37.2%, followed by students age 17 at 29.6% and age 15 at 21.8%. Students age 14 or younger account for 5.6% of the population.

All 358 dual credit students have Texas as their state of permanent address. Harris County accounts for the largest share of students at 52.4% (187), followed by Fort Bend County at 34.9% (125) and Williamson County at 8.6% (31). Together, Harris and Fort Bend counties represent 87.3% of the dual credit population.

Academically, all 358 students are enrolled part-time, with an average credit hour load of 4.0 hours. All students are enrolled as non-degree-seeking undergraduates and are identified as Academy Students.

¹Dual credit students enrolled in the regular fall term are included in the regular fall census population and are excluded from the dual credit population for reporting purposes to prevent duplication of student headcount and enrolled credit hours.
