Community Internship Program

The HBU Community Internship Program is a targeted approach to connecting students with employers around major and area of interest. Many companies use Internships as a means of filling entry level roles with students who have been trained and are ready to engage as a valuable employee but also as a means of making contributions to the professional development of students.

DATA AND METRICS FOR THE COMMUNITY INTERNSHIP PROGRAM

- 48 Community Internship Partners
- Over 100 potential interns were interviewed.
- Majors engaged for Internships-Cinema/New Media, Accounting, Kinesiology, Marketing, Psychology, Finance and Business

Students Connecting to Internships

The Office of Career and Calling assists students with finding and securing internships in the Houston area via the Community Internship Program. Internship experience gives students greater advantage after college when applying for full-time jobs and competitive graduate schools.

The Community Internship Program is placement-based which requires students to abide by strict policies when enrolled in the program.

In order to participate interested students from any major, should have:

- At least 30 credit hours completed.
- Completed the online Internship Student Application.
- Scheduled time to attend a Student Orientation Session.
- Updated resume and cover letter in Hire-A-Husky.
- Participated in a Mock Interview Session.
- Completed LinkedIn Profile.
- Monthly interaction with Internship Coordinator
- Professional attire for Interviews with Internship Partners.

Become A Community Internship *Partner*

The Community Internship Program allows us to be intentional and innovative in our approach to internship and experiential learning opportunities. The program is open to all employers through a formal process:

1. Complete an Internship Partner Application.
2. Employer is engaged with a list of students who fit the criteria for their internship(s).
3. Interview dates are set and Internship Partners agree to conduct interviews on the HBU campus as a means of providing professional development and experiential learning to HBU students.
4. Make an offer and Hire-A-Husky!

GUIDELINES FOR PARTNERS

Community Internship Partners are highly encouraged to have a presence on the HBU campus during the fall and spring semester. Here are expectations for Internship Partners:

1. Participate in a minimum of two employer-focused activities each year such as: Career Fairs, Mock Interviews & Resume Clinics, annual Etiquette Dinner and Career Insiders Series.
2. Benefits of being an Internship Partner include discounts on Career Fairs.
