NURSING PLEDGE

I solemnly pledge myself before God and in the presence of this assembly, to assist in upholding and promoting the field of nursing as a profession in itself. I will strive to set a high standard of leadership among my peers.

Believing that each person is a holistic being who possesses intrinsic worth and value, I will promote wellness in the spiritual realms. Knowing that the family is closely interrelated with the wellness of the community, I recognize the importance of promoting wellness within the community as a whole.

Education being a continuous process, I will continue to update my knowledge and skills as a nurse. Finally, I will promote cohesion between members of the health care team for the benefit of all who are served.
