

Bible Reading Plan

Read the Bible Through in a Year

Book-at-a-Time BIBLE READING PLAN

This Bible reading plan provides two readings for each day. The first reading alternates between Old and New Testament books, giving you three or four chapters a day. In the New Testament book readings, the Gospels are spread throughout the year. The second reading takes you through a chapter or so of the wisdom literature (Psalms, Proverbs, Ecclesiastes, and Song of Solomon) and Isaiah each day. Combined, these readings will take you through the entire Bible in one year. Each month consists of only 25 readings, allowing you to reflect more deeply on a particular passage, reread favorite passages, or catch up on missed readings. You can begin reading through the Bible at any time during the year. Why not begin today?
