

Husky Ambassador

The position of a Husky Ambassador student is very distinguished. Ambassadors are required to give tours to prospective students and their families providing key insight on becoming a student at Houston Christian University. Another function of their role is to assist with various admissions events such as Preview, Experience HCU days, VIP tours, Saturday tours, Athletic Department tours, as well as other requests that will come up from time to time. This prominent position is ideal for committed students who are looking for a leadership position on campus and an opportunity to meet future fellow classmates.

For more information if you are interested in becoming a Husky Ambassador, please contact Tiffany Charles or Kaelyn Charles.
