

## SGA Senate and House of Representatives

SGA Senate and House of Representatives positions shall be appointed by the Election committee in SGA each Spring semester, effective for the following academic year. Senate and House of Representatives positions receive no compensation but are a valuable way to be involved on campus to make a difference. Those interested in a Senate and House of Representatives position must fill out the common app and adhere to the election process which includes a secondary application and interview. SGA falls under the purview of Student Involvement Office. Contact Susanna MacTavish, [smactavish@hc.edu](mailto:smactavish@hc.edu) for more information.

SGA Senate and House of Representatives Description: *Meet with consultants and to discuss the needs, desires, and concerns and bring them before the executive board following the process as stated in the by-laws – to be the voice of your appointed represented party. Assist in the making of new policies, campus conflict resolution, and new student organization approvals.*
