

Welcome Days Volunteer / Musher

Welcome Days, our new student orientation held just before classes start in the fall semester, is a three-day event requiring significant planning and participation of many. Students may help in multiple ways, including the following:

- 1) Welcome Days Committee
- 2) Welcome Days Pack Leader
- 3) Welcome Days Volunteer / Musher

The volunteer/musher job is not a paid position, but a great way to be involved and learn about the inside workings of leadership, events logistics and relationship building. Training is offered for all student leaders prior to Welcome Days and students in this role should commit to be there for all of Welcome Days. Welcome Days is August 22nd-24th, 2025.
